TMF The Music Forever Reveal Their Highly-Anticipated Debut Album and Solidify Their Place in the R&B Soul Music Culture.

[Chicago, 3/27/2024] - The R&B/Soul Band, TMF “The Music Forever” released their self-titled debut album March 15th of 2024. The album was recorded at KTSU Recording Studios in Houston, TX, less than one-year since TMF's first live performance in June of 2023 at the Cadence Bank Amphitheater at Chastain Park in Atlanta, GA. TMF is comprised of six former long-time members of the Iconic R&B Band, “Maze Featuring Frankie Beverly”. Roame, Jubu, Bear Williams, Vance Taylor, Calvin Napper and Daniel Weatherspoon toured and recorded with Frankie Beverly for well over 20 + years, with Roame having started out as a member of Maze aka “Raw Soul” Fifty-Five years ago. In fact, it was Roame that originally thought up the name “Maze” for the band. With the powerful addition of solo Artist, Chris Walker as TMF’s lead vocalist, the band released their first single, “Making Love to the Music”, in September of 2023. The sultry R&B song reached #1 on the Internet Broadcasters Alliance Chart and #17 on the UK Soul Chart.

TMF’s album features nine original songs all written and produced by TMF. The explosive first song, “Synergy”, lures you into the rest of this powerful offering. Music lovers will enjoy this intentional R&B capsule of “Grown Folks Music” from beginning to end. The songs, “Let Me Love You”; “New Again”; “Making Love to the Music”; “I’ll Never Let You Go”; “Choices”; “So Deep in Love”; “When the Groove Feels Right” and “Tribute to the Great Ones” all speak to the heart and soul of the listener in an uber positive way that will resonate for a life-time.

TMF’s album is available now on all digital music platforms including their website at www.TMFConcerts.com. The incredible sounds of TMF are already moving music fans across the USA and now the band is poised to share their God-Given talents up close and personal with a worldwide audience.
